### **Billeo and LINK2GOV Align for Online Federal Tax Payments**

#### ***PAY1040.com/billeo Enables Card-Based Payments for Federal Balance-Due Taxes***

SANTA CLARA, Calif.--(BUSINESS WIRE)--Billeo, Inc., an online bill management service provider, today announced an agreement with LINK2GOV making PAY1040.com a participant in Billeo's browser toolbar solution offering virtual consolidation of bills. LINK2GOV, an IRS-authorized payment provider and a business unit of Metavante Corporation, operates PAY1040.com, which enables consumers to pay their federal taxes with a credit card. Taxpayers using Billeo can access the service at [www.PAY1040.com/billeo](http://www.PAY1040.com/billeo).

"Billeo users are already enjoying the simplicity of paying their monthly bills online," said Robin O'Connell, Billeo's vice president of business development. "The LINK2GOV alliance simply gives them the ability to add federal balance-due tax payments to their list of payees on Billeo. A few clicks are all it takes for them to initiate the federal tax payment and get an immediate confirmation of payment. The big benefit to the consumer is the ability to use credit cards. Billeo users can gain rewards or loyalty points while paying their federal taxes."

Billeo serves as a bill pay assistant by allowing users to aggregate bill payments, organize bill reminders, and keep payment records. The Billeo service works at any biller's web site that accepts online payments. Users install a toolbar on their browser, and with one click, gain access to online payment services. Online payments through the Billeo service can be made with a debit card, credit card or their checking account, and provides the advantage of receiving immediate payment confirmations.

#### **About LINK2GOV**

LINK2GOV, a Metavante company, has been providing comprehensive, customized electronic service applications for government agencies since 1995. In addition to the IRS payment services, LINK2GOV also facilitates the collection of state income taxes, real estate taxes, utility bills, vehicle registrations and driver's license renewals, parking tickets, traffic citations, tuition payments, court fees and fines, hunting and fishing licenses, as well as various business licenses.
